Password: Marvel17

Collaborative Meeting

Friday, July 21, 2017

Target Audience

- Anesthesiologists
- Clinicians
- Nurses
- Quality improvement staff
- Researchers
- Technical staff

Speakers / Planning Committee:

- Joshua Berris, DO
- Kathryn Buehler, MS, RN, CPPS
- Sachin Kheterpal, MD, MBA
- Victoria Lacca, MBA
- Christina Ladd, BSN, RN
- Steven Lins, MD
- Twisha Patel, Pharm D
- Leif Saager, MD
- Nirav Shah, MD
- Hanish Singh, MD

Topics planned for the CME activity do not relate to products or services (e.g., drugs or medical devices used on or by patients) of an ACCME or ACCME-defined commercial interest. Therefore, the planners and speakers have no relevant financial relationships to disclose.

Learning Objectives

After this meeting, participants will understand and be able to implement into daily practice:

- Understand anesthesiology quality improvement measures implemented in 2016 - 2017
- Understand temperature management and the impact on patient care
- Create a partnership between anesthesia providers and payers to improve quality of patient care delivered
- Describe overall quality measure performance of participating ASPIRE sites
- Learn about quality improvement programs implemented at other institutions
- Implement a performance improvement program to improve patient care
- Understand challenges in measuring provider performance
- Understand issues with Data Quality in ASPIRE and implement plans to remedy
- Understand data integration to practice transformation

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Michigan Medical School designates this live activity for a maximum of 3.75 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
